FOREWORD

This book is based upon ITC (Instrumental Trans Communication) conversations with Jesus, and those people who knew, observed and worked with him during his teaching lifetime, and for some of them, continuing association after his recovery from the Cross. This includes his Mother Mary, Mary Magdalene, his first Essene Teacher Suddi, his Uncle Joseph, and his Niece Naomi.

Today, many people are aware that Near Death Experiences are well known, documented and accepted throughout the world.

The recovery of Jesus from the cross is what we humans would call a NEAR DEATH EXPERIENCE.

HOW ITC WORKS FOR ME

I would like to talk a bit about how my earlier studies into the Paranormal led me to become involved in this Modality called Instrumental Trans Communication (ITC).

After I had changed from an Atheist to an Agnostic I began to read as much as I could about the Paranormal. An interesting point I noted is that many people who had Psychic abilities stated that they worked with their own Spirit Guides.

In 2015 at a Conference I found that I could contact Spirits of the deceased through the use of a Pendulum. Shortly after that, with the help of a Hypnotic Regression Specialist. I was able to contact my main spirit Guide called Jared.

In the spring of 2016, when I first started experimenting with ITC, I simply started by asking the Spirits of passed relatives to answer specific questions like confirming their name. It took about a month before I received any type of response from people like my Mother or my Uncle Carl (who I call Punch).

I then realized that this might work better if I used ITC by working directly with the Spirits. I then contacted Jared using the Pendulum and asked him if he would work with me and he agreed.

Over a period of time I decided to broaden the people who Jared worked with and asked my Mother, my Uncle Punch, my Causal angel and my Angel of the Day to join our group, which I now call my ITC Research Team.

My Angel of the day is a different spirit assigned to our group every day. My understanding that this is to provide education on communicating with us humans for that Spirit.

I later discovered that Jared was a very evolved Spirit who is associated with a group of Spirits who call themselves “THE LEGION OF LIGHT”. This group includes the spirits of people like Jesus, Nicola Tesla and Extraterrestrials like Oclamenta.

An analogy of how ITC works for me is to describe it like the telephone system that was in effect in 1930 in Ontario. At that time you had to ring a bell to contact the operator (Central) who was in a different location. When the operator answered you would state the name of the person you were calling. The operator would then physically plug your line into the line of the person you were calling and would then ring the number of the person you were calling, who would pick up their telephone and talk to you.

My ITC work is a bit like this. I contact my ITC team (Central) using the pendulum. Jared my ITC team leader answers and I ask him to bring in the other team members. I then ask Jared to bring in the Spirit I wish to talk to. He has

never failed to bring in the person I ask, unless the person I ask does not wish to talk with me. So far, no one has declined.

In the days when phone calls were channelled through Central many people had more than one person who shared the same line. It was therefore called a Party Line so the calls for a particular person were differentiated by short and long rings from Central. This meant if you picked up the phone on a ring not meant for you, you could hear the conversations between the other people. This could and did create some real problems. You could find out things you had no business knowing.

Working with ITC is a bit like using a party line. Sometimes negative spirits who love to cause problems can come through. To avoid this, the first thing I do is pray to God saying “please cover me with the white light of your protection so that no negative entities can enter my space at any time”.

BACKGROUND FOR THIS BOOK

Back in 2017, using Instrumental Trans Communication (ITC) Jesus gave me “Some Suggestions for Our Spiritual Growth”. These suggestions are included in my second book titled “Recording Conversations With Spirits”.

In December 2020 I started having further ITC conversations with Jesus about our Covid 19 situation, and his teachings as described in the Bible and followed by many Christians today.

During 2021 I had three separate Psychic readings with Brian and Kathryn Lovelady (two extremely gifted Psychics) where Jesus pointed out some of our misunderstandings of his teachings. In addition people like Jesus Mother Mary, Mary Magdalene and his Uncle Joseph have come through with messages for me. I have ITC conversations with them as well.

Early in 2022 I read the two books written by Dolores Cannon about the Retroactive Hypnotic recordings she made with people who knew Jesus in his early years before his Crucifixion. I have had ITC conversations with Dolores.

As the result of her books, I also have additional ITC recordings with a Nicene man named Suddi the first teacher of Jesus, and a woman named Naomi, his Niece.

This information forms the background of this book.

DOLORES CANNON

Dolores was one of the pioneers in Retrogressive (before life) Hypnotherapy, whereby it was possible for people to remember their previous lives and also the planning they went through between these lives. Dolores was involved with this work for 40 years and passed back to the spirit side in 2014.

In her work she helped many people resolve personal problems in their current lifetimes by discovering problems in a previous life that was affecting their current life. She also talked to people like Nostradamus and people who had been an Extraterrestrial like Oclamenta in a previous life. (See my book)

She has also written two books about people who knew and met Jesus during their previous lifetimes. These are described in her books “Jesus and the Essenes” and “They walked with Jesus”. These books are in PDF format and are freely available from her daughter’s (Julia) Website.

I have contacted two of the people written about in her books (Suddi and Naomi) by ITC, and they are covered in this book.

If you are interested in learning more about what life was really like during the life of Jesus before his NDE on the Cross I recommend you read these books.

I first contacted Dolores by ITC on Feb 24-22 and she gave me some ITC messages for her daughter Julia.

On the same day one of the questions I asked her was “have you met Jesus since you have passed”. She answered “ACTUALLY I HAVE NEVER”.

A few days later I contacted my ITC Spirit Team (by Pendulum) and asked them to bring in Dolores and Jesus so they could meet each other.

On Mar 6-22 I again asked her “have you ever met Jesus since you have passed”. She responded “JUST MET HIM HERE”.

THE BEFORE LIFE PLANNING OF JESUS

It is my understanding that the before life planning (or between lives planning) that Dolores and other Regressive Hypnotherapy Practitioners have been able to perform has helped many people resolve problems in their current lives.

I asked Jesus the following questions about this:

1. “Are you aware of the before life planning process you went through before you were born as Yeshua Ben Joseph” and he answered “WANT IT”.
2. “Can you confirm that God was part of the process”. He said “NATURAL HE’S BROUGHT IN”.
3. “Was your Mother Mary and Mary Magdalene part of this process” he said “OF COURSE THEY WERE”.
4. “Can you confirm that your Father Joseph, your Uncle Joseph, your Essene Teacher Suddi and your Niece Naomi were not part of this process”. He answered “NO WAY -NOT PERSONAL”. I believe this means that it was not necessary in their own before death planning to be involved with his.

Note – I have personally used Retrogressive Hypnotherapy to contact my own main Guide Jared.

SUDDI – THE EARLY TEACHER **OF JESUS**

The education of Jesus started when he was a child and was taken by his Mother Mary to the Essene Community to be taught their Culture.

Kathryn Harris was very interested in the work done by Dolores Cannon and wanted to be one of the volunteers to work with her. As a result, after many hypnotic regressions she reverted back to a lifetime that coincided with that of Jesus. At that time she was an Essene Male who went by the nick name of Suddi.

Suddi became the early teacher of Jesus and his cousin John. John liked the Essenes practice of Baptism and later became known as John the Baptist.

I contacted Suddi using ITC and asked him “are you the Essene person contacted by Dolores Cannon and written about in her book”. He answered “YES SIR”.

I then asked him “were you considered a teacher by the Essene Community” and he answered “SO THEY DID”.

I then asked him “did Jesus mother Mary bring Jesus and his cousin John to you when they were approximately eight years old”, and he responded “YES TOGETHER”.

I also asked Jesus mother Mary “did you take Jesus and his cousin John to Qumran when they were children”. She answered “SHARE THEIR CULTURE”.

I also asked Jesus “was the Essene called Suddi your teacher when you were 8 years of age”. He responded “I THINK SO AS CHILDREN”.

Suddi answers more Questions about the Essenes

I ask Suddi “do you know if the members of the Essene Community were actual descendants of the lost City of Atlantis” and he responded “WERE NOT”.

I then asked him “did the Essene Community believe in the reincarnation of the body”. He answered “OF COURSE THEY DID”.

I ask him “did the Essene Community believe that certain people could be raised from the dead depending upon the condition of the body and how long they had been dead”, and he answered “YES”.

Another question “were what is now called the lost scrolls actually written by the Essenes and then buried so that the Romans could not find them”. He replied “CERTAINLY - MUST BE”.

JOSEPH THE UNCLE OF JESUS

The next step in Jesus education is when he was taken by his uncle Joseph on his many trips all over the known world, for the purpose of understanding their Culture. His Mother Mary often accompanied him on these trips.

When I asked Joseph “are you a well known Trader of Tin and other metals all over the known world”. He answered “MUST BE – RESPONSIBILITY”.

I ask him “have you travelled to such places like Egypt, Britain and India to sell and trade your products”, and he answers “YES”.

I also ask him “did Jesus often accompany you on your trips for the purpose of learning and understanding the spiritual growth of the people in each area you visited”. He answers “OH YEAH – TO WATCH THEM”.

I next ask him “did Jesus mother Mary often accompany him on these trips” and he answers “YES”.

When I ask his mother Mary “was Jesus Uncle a wealthy man who sold tin and other metals to countries all over the world”, she replied “YES – PART OF ONWARD MISSION”.

I next ask her “Did you and Jesus accompany him on many of his trips” and she said “YES – QUITE A BIT”.

My final question to Joseph was “is there anything else you would like to say at this time”. He says “IS CALM BEGINNING”. Obviously this part of Jesus life is a calm beginning compared to what is going to become much more turbulent.

NAOMI THE NIECE OF JESUS

Anna was one of the people Hypnotically Regressed by Dolores Cannon to a life where she was a woman by the name of Naomi, the Niece of Jesus, and written about in her second book “They Walked With Jesus”.

If you are interested in learning what life was really like in those days I would recommend this book. It is available in PDF format and is free from the Internet.

When I ask her “Naomi, to prove that you are present, please tell me what I am holding in my right hand”. And she correctly answers “I KNOW SIR – A CANDLE”.

I then ask her “are you indeed the Niece of Jesus” and she says “PROJECT HERE – THE NEED TO BE”.

Note – Naomi talks about her work as being part of a PROJECT. I believe that in those days bringing the teachings of God to the people through the teaching of Jesus was a project that many people in both Spirit and Human form were committed to.

I ask Jesus “was the girl called Naomi your Niece”, and he answered “BROTHER TO HER – I LOVED HER”.

I ask Naomi “Did you decide you wanted to spread the teaching of Jesus and walk with him when you were a young teenager”, and she replied “TRUE”.

I ask “Did you initially accompany him dressed as a boy to disguise the fact that you were a female”, and she replied “YES – FOR MEETINGS”.

I also ask her “was the Leper Colony one of the first places Jesus allowed you to accompany him”. She answers “PART OF A LEADER’S ONWARD MISSION”.

I ask Jesus “did your Niece Naomi become one of your followers”. He replied “YES – PASSION SERVING”.

I ask Naomi “did Jesus tell you that your Heart Chakra is also located in your hands” and she answered “YES”.

This is a very interesting point. Before I became interested in ITC I became a certified practitioner of a Modality called “Reconnective Healing”. I could and sometimes did charge for this service. I can honestly say that when I was working with someone who wanted to be healed from a sickness (physical or mental) problem I would actually feel heat and energy emanating from the palm of my hands.

I then ask her “when Jesus was healing a person could you see light around his head and his hands” and she replied “I DID”.

I ask “do you think this light was energy flowing from him to the person being healed”. She answered “MOST CERTAINLY DID”.

JESUS HAD A **NEAR DEATH EXPERIENCE**

I ask Jesus “was your death on the cross and your reappearance considered by us as a self controlled Near Death Experience”, and he answers “YES”.

I then asked him “was it God who told you it was okay to return to your Human Body”. He replied “YES THAT WAS”.

I also ask him “was the recovery of Lazarus also a Near Death Experience” and he answers “RIGHT”.

In our world of today it is common knowledge that many people all over the world have near death experiences. The pattern involved in these experiences is also uniform throughout our world. Many people report that they have met a spirit who encouraged them to return. I personally know two people who have had a near death experience. One of them told me that it was Jesus who encouraged him to return to his body. It has also been noted that people who have a NDE become more loving and caring individuals.

It is also important to understand that many of the higher evolved Spirits are capable of bi-location. Jesus confirmed this to me in his readings with Kathryn and Brian Lovelady in 2021. This means they are able to be in more than one location at the same time.

THE LIFE OF JESUS AFTER HIS CRUCIFIXION

Mary Magdalene returns to the tomb

It is my understanding that on the evening of the day Jesus was crucified and was now in his tomb, Mary Magdalene came back to the tomb after everyone else had left.

When I asked Jesus “if Mary Magdalene was the first person to greet him after he had returned to his human body”, he replied “CAME BACK – LOVE HER”.

I also asked him “Jesus is it correct to say that Mary was never a prostitute” and he answered “SURELY”.

NOTE - In those days women were not considered appropriate for Spiritual teaching. Therefore the story of her being a prostitute was made up to reduce her standing.

I asked Jesus “when Mary Magdalene came back to your grave site after after the others had left, did you then decide you wanted to return to your body to be with her”, and he answered “YES”.

I also asked him “did you decide to return to your human body so you could have a normal life with Mary”. He says “OF COURSE”.

Mary Magdalene helps Jesus Recover

I ask Mary Magdalene “were you a member of the Essene Community” and she answered “YES”.

I then asked her “were you able of performing the same type of miracles that Jesus was capable of”, and she replied “DID”.

I then ask Mary “after his recovery from the cross, did you help him move the large stone away from the grave site” and she replied “COME TOGETHER – BOTH OF US”.

I next ask her “did you take Jesus to the Essene Community to heal after he survived the Cross and she replied “YES SIR – I BECAME DIRECTOR”. From that point on all communication with Jesus had to go through her.

I asked her “were you the first person to contact his mother Mary to advise her that Jesus had survived”. She answered “I TOLD HER”.

I then ask her “did you then take his Mother to see Jesus” and she answered “DUTY – SURELY”.

I also ask her “were the people who visited him sworn to secrecy about his survival”, and she said “THEY DID”.

His Mother Mary is informed of his Survival

I ask his mother “Mary, who first told you that Jesus was still alive” and she answered “ITS PERSONAL”. Obviously she had been told not to disclose this information.

I then ask her “after you were told he was alive did you then go to meet him”. She answered “I DID”.

I ask her “once you had met him, did he ask you to tell no one he was still alive”, and she responded “NEED TO MAKE SURE – CEASE MEETINGS”

I also asked her “did all future communications with Jesus go through Mary Magdalene”, and she replied “THAT’S IT”.

His Mother Mary also told me “HARD TO BELIEVE HIS ONWARD MISSION”. Note – I believe Mary is referring to the future work that Jesus will undertake to spread his teaching among other Species.

NOTE: If you refer to my third book titled “Recording Conversations with Oclamenta (The Extraterrestrial)”, you will note that Oclamenta has personally met Jesus. In addition, the teachings of Jesus form the basis of the Spiritual Beliefs of her own people.

People who are interested in researching information on Extraterrestrials will find that many other Extraterrestrial

Species also incorporate the teachings of Jesus in their own Spiritual Beliefs.

I wondered how long it took Jesus to recover from the wounds of the Cross. When I first ask Mary “how long did it take Jesus to recover from the wounds of the Cross”, she answered “ABOUT 20”. Using the pendulum she confirmed that it was about 20 Months.

I then ask her “Mary Magdalene is it correct to say it took Jesus 20 months to fully recover from the wounds of the Cross”. She said “THAT WAS IT”.

Jesus and Mary Magdalene now continue their life together

Jesus and Mary are married two days after he had completely recovered. When I ask Mary “is it correct to say that you and Jesus were married two days after he had completely recovered” she answered “TRUE”.

When I ask Jesus “Mary told me that two days after you had recovered from the Cross you were married. Is that correct”. He answers “YES”.

Jesus and Mary next move to Egypt

I ask Jesus “did Mary take you to the Essene Community in Egypt before or after your recovery from the wounds of the Cross”. He answers “MOTHER’S IN THE COUNT”. This would mean that after he had both met his Mother and his Disciples he and Mary moved to the Essene Community in Egypt.

When I asked Mary “Did you and Jesus move to the Essene Community in Egypt” she answered “YES – WANTED TO BE TOGETHER”.

Back in 2017 I ask her “Mary if you had five children with Jesus please say that it is true” and she answered “IF JESUS WERE TO MAKE CLEAR”.

In January 2022 I ask her “will Jesus now allow you to tell me how many children you had together” she now says “THAT’S A SECRET”.

In May 2022 I ask Jesus “is it correct to say that at this time you and Mary do not wish to disclose how many children you had or where you finally moved to from the Essene Community in Egypt”. He answers “OF COURSE”.

Jesus and Mary finally moved to an undisclosed Country

Jesus and Mary have confirmed that he recovered from his **Near Death Experience**, and that he and Mary were married, and eventually moved from Egypt to an undisclosed Country where they had children together and remained there for the balance of their Human Lives.

Keep in mind that Jesus toured all over the known world with his Uncle Joseph. He knew where it would be safe for Mary and him to live and have children there. Frankly I agree with his decision to keep this information secret.

MISUNDERSTANDINGS ABOUT THE PURPOSE OF THE LIFE OF JESUS

The two most gifted Psychics I know are Kathryn and Brian Lovelady. They are an Indigenous couple who live in Ontario Canada not far from Penetanguishene.

I have known these people for over twenty years and can honestly say they have not only been good friends, but also a big influence in the direction of my own life. Without their help I would not have been able to write this book.

Kathryn has been able to See, Hear and Communicate with the Spirits from a very early age. Brian communicates through the use of Dowsing Rods, which is similar to what I do with the Pendulum. I would recommend these people to anyone. They can be reached at **moonstarlodge.com**.

During 2021 I was trying to determine what direction my ITC work should take. At that time I previously did have some conversations with Jesus about his suggestions for our spiritual growth and more recent conversations about the Pandemic.

I had a feeling that there was more I needed to write about Jesus but needed more Guidance. Therefore during the year I had three separate psychic readings with Kathryn and Brian where people from the “Legion of light” like Jesus,

Oclamenta (the extraterrestrial), Nicola Tesla, my ITC Team and many others appeared.

In a reading with them on June 28, 2021, Jesus talked about the misunderstandings some people have about the purpose of his ministry. What follows is a transcription of the recording I made on that date, and in the order it was presented:

***Reading June 28-2021**

*He was born Yeshua Ben Joseph (Jesus son of Joseph in Hebrew).

*He tried to make all people equal. We are our Brother's keepers.

*He never wanted to be the Savior in the sense that people had to go through him to get to heaven. He is not the Savior, never did want to be. This is a misappropriation of what he was sent here to do.

*Every tree, animal, fish, river etc. Is a manifestation of what we call The Source of all, God, etc.

*He was from Nazareth but he was also an Essene by choice.

*We are not born in Sin. We are born in the Vibration of the Cosmos.

*When we live in what he taught we are raising our Vibrational level and we are all capable of the miracles that he and Mary were capable of.

*People who live in cloistered communities who are not unduly influenced by the outside world are capable of performing healing and miracles similar to what he did.

*He is not coming back to raise dead bodies. That was not the purpose of his time on earth.

*Many great Mystics, Shaman etc, are capable of bi-location.

*In the third century after his death Paul did not use the same parables as he did. The story of his teachings got modified and corrupted in order to appease the Romans.

*The Bible in its current form is not the correct interpretation of what went on in his life. The writers after his death modified and changed it in a way that he did not want. People who take the Bible as a totally true Document are misrepresenting him.

**I ask Jesus to confirm some of the things
he told us during this reading**

1. When I asked him “is it true that you taught there are no Hierarchies and that all men are born equal” he answered “OF COURSE”.
2. “Did you teach that we were not born in sin but through the vibration of the universe”. He said “YES I DID”.
3. I asked him “is it true that you are not the Savior in the sense that people had to go through you to get to heaven”. He said “YES - IT MUST BE SELF AFFECTED”.
4. “Jesus, is it also true that you are not coming back to raise dead bodies. That was not the purpose of your mission on earth”, and he answered “THAT’S CORRECT”.
5. “Is it also correct to say that people who live in Cloistered Communities who are not unduly influenced by the outside world are able to perform healing and miracles similar to what you did”. Jesus answered “OH YEAH”.
6. I ask him “Jesus is it correct to say that in the third century after your death that Paul did not use the same parables as you did”. He answered “VERY MUCH HURT”.
7. “Did the story of Paul’s teachings get modified and corrupted to appease the Romans”. Jesus answers “YES”.

8. I ask him “is it correct to say that the Bible in its current form is not the correct interpretation of what went on in your life. After your death, the writers modified and changed it in a way you did not want”. He answers “YES SIR”.

9. “Is it also correct to say that people who take the Bible as a totally true Document are mistaken and misrepresent you”, and Jesus answers “YES”.

**Silver Birch Confirms that there is much
misunderstanding of the purpose
of Jesus Life**

Silver Birch who communicated for nearly 50 years through the trance mediumship of Maurice Barbanell has pointed out that some of the things being taught today about Jesus are not correct.

One of the sitters during the trance asked “if Jesus was the Son of God, as the Church teaches, or if he was an ordinary man with great mediumistic powers”. Silver birch answered “The Nazarene (his word for Jesus) was a Messenger of the Great Spirit who came into our world in order to fulfill a mission of the Great Spirit. He fulfilled his mission on Earth, but he has not yet fulfilled the rest of his mission, which is

still being directed from the world of Spirit. It is wrong to worship the Nazarine, for worship should only be given to the Great Spirit and not to his messengers”.

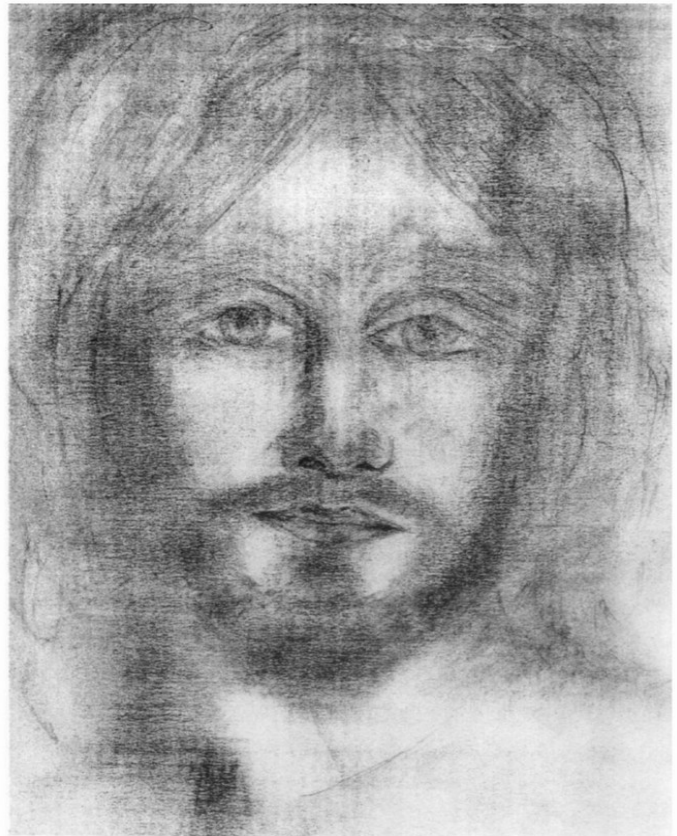

When asked about the Christian Doctrine of Atonement, he said “How pitiable a conception is this of the Great Spirit and of the mission of the Nazarine. He was full of the love and mercy and gentleness of a loving Father. You are all placed in the world of matter to build your own character and accomplish your own soul evolution. All else is a doctrine of cowardness and injustice. If you have done wrong, be a man and pay the price! Do not shelve your responsibilities on the back of another.”

BOOK COVER PICTURE OF JESUS by ANNA

This sketch of Jesus was drawn by Anna directly after she emerged from an Hypnotic trance by Dolores Cannon where she had been regressed to her life as Naomi, the Niece of Jesus. I have used this picture for the cover of this book.

When Dolores initially asked Naomi to describe what Jesus looked like she answered

“For a man he is about the height of my father, which I guess you say is average.. he’s strong in the arms and the shoulders. He’s not a very big man, but he has strength. And ... his eyes, his eyes are wonderful. His eyes are blue. And he has brown hair and ... hair on his chin and above his mouth. And he’s tan from the sun. I would say he’s fairly dark skinned”

When I contacted Naomi by ITC I held up this picture and asked her “Naomi, can you see the picture I am holding”. She answered “I SURE DID”.

I then asked her “Naomi, is this a picture of Jesus”. She answered “THAT WAS SURE HIM”.

I had also asked Jesus this question before I asked Naomi. “The picture I am hold holding was drawn by Anna who was hypnotically regressed to her life as Naomi by Dolores Cannon. She drew this picture of you immediately after she came out of her trance. Is this picture a reasonable representation of what you looked like when you and Naomi were together”. Jesus answered “I THINK SO – SEE IF YOU CAN GET HER”. The rest of the answer was not clear but I believe it was “TO CONFIRM”.

I also contacted Mary Magdalene and told her “Mary, this is a picture sketched by Anna after emerging from a hypnotic trance by Dolores Cannon where she was Naomi. Mary answered “I SEE IT”.

I then said “this is supposed to be of Jesus. Does it look like him and she answered “WHAT A GOOD PICTURE”

I contacted Jesus’s Mother Mary and asked her “does this picture look like Jesus” she answered “THAT IS BEAUTIFUL”.

I also contacted Joseph the Uncle of Jesus and said “Joseph, do you recognize the picture I am holding as a picture of Jesus”. He answered “YES SIR”.

13. CLOSING COMMENTS

Without the help of my ITC Research team, this book would not be possible. My heartfelt **thank you** goes out to them. The readings done by Kathryn and Brian Lovelady also contributed much to confirming our misunderstandings of Jesus purpose. The work done by Dolores Cannon gave us a fuller understanding of the people who knew Jesus. In addition, the answers given by these people in her book were confirmed by their conversations to me.

My daughter Cheryl was also much help in correctly identifying the answers to my recordings.

I also realize that some of the misunderstandings of the purpose of the life of Jesus may be troublesome to some people because it differs from what they have been taught. I strongly believe that what has been told to us from the Spirit side is the truth and must be told. Whether you believe it or not is a matter of your own free choice.

We were all born with the free choice of our beliefs. However I suggest you keep in mind the problems of being closed minded. Allowing yourself to be closed minded about any particular topic could mean you may never learn the truth about that topic.

I will mention once again that to insure you do not become close minded about anything, I suggest you “ASSUME NOTHING IS TRUTH & QUESTION EVERYTHING”, including what I have written.

NOTES:
